

How to find us

Woking can easily be reached via the A320 from Junction 11 of the M25 from the North, or from the South from Guildford also on the A320.

If you are approaching Woking from the South on the A320, after you have passed the Railway Station turn left at the second set of traffic lights (signposted A324 to Aldershot) which takes you on to the bridge over the canal.

Go straight over the first roundabout,

and at the second roundabout turn left into Amstel Way. At the end of Amstel Way, turn left again into Hermitage Road. At the end of Hermitage Road, turn left at the mini-roundabout, where you will find Sherwood Lock on your right hand side.

If you are approaching Woking from the North on the A320 turn right at the major set of traffic lights prior to the Railway Station, (signposted A324 to Aldershot) go over the canal and then follow the directions as above.
